Bazaruto Island is 35km in length and 7km across at the widest point, and is a little piece of paradise! Part of the island is composed of enormous sand dunes, while the remainder of the island is thick with grassland, scrub and wetland. Marine species include dolphins, dugongs, humpback whales, marine turtles and the freshwater lakes in the area are home to crocodiles. The impressive beauty of the coral reefs complements this subtropical ecosystem, enriched by the abundance and rare beauty of the tropical fish, clear water and excellent surf, plus rock and fly-fishing. The archipelago is deservedly known as the 'Pearl of the Indian Ocean'. The 40 thatched A-frame bungalows are equipped with satellite TV, air conditioning, ceiling fan, private bathroom and enclosed outdoor shower. Meals are served at the main restaurant and picnic lunches can be arranged. The island is beautiful and unspoilt and the lodge offers a spa, activity and fishing centre – perfect for nature lovers, as well as divers and water sports enthusiasts.

Please Note:

All-inclusive Includes: accommodation, breakfast, lunch, dinner, selected beverages, daily trips to Dolphin Bay at scheduled times, one Discover Scuba pool session per person per stay (specific T&C's apply), use of non-motorized water sports equipment, transfer from airstrip to the Lodge and National Park entry fees.
