**Day 06 -07      MASSAI MARA**

Morning and afternoon game drives.

Classic savannah, stunning sunsets and prolific game; the 'Mara' is perhaps the most famous reserve in Africa. This area has an incredibly high density of game all year round. However, it is exceptionally good from July to September when over a million wildebeest and thousands of zebra and antelope travel north from the Serengeti Plains in search of lush green grass before returning south around October. During this migration you may also witness one of nature's greatest spectacles as the migrating wildebeest risk their lives crossing crocodile filled rivers from the steep sided banks. The reserve is crossed by the Mara, Talek and Sand Rivers which are flanked by riverine forests. Year round in the Mara you will find large prides of lions and other big cats such as cheetah and leopard and over 40 rare Black Rhino. For a truly memorable experience and incredible photo opportunities, take a sunrise hot air balloon safari which provides a bird's eye view of the game as you drift silently above the plains.
