You will be picked up from your hotel and transferred by boat to San Juan La Laguna village where you will visit a local textile cooperative to see the back strap loom in use, as well as to the home and workshop of a local naïf painter before boarding a boat to go to Santiago village for lunch. After the meal, you and your guide will find the house where the Maya God Maximón is living and have a ceremony performed if you wish. You can also see the local church and market to learn about the history and tradition of this town. When ready the driver will transfer you back to the hotel.

**Day 06 LAKE ATITLÁN**

Day at leisure in Lake Atitlan.

Lake Atitlán rightly deserves its reputation as being the world's most beautiful lake. Three volcanoes rise between 1500 and 3100 metres on the southern shore and seeing these across a calm, tranquil, shimmering lake is an amazing experience. Motor launches connect the small towns and villages that line the lakeshore. Crossing from one side to the other takes about half an hour, the journey south takes you up close to one of the mighty volcanoes. A region of natural beauty, Lake Atitlán is the perfect base for visiting the markets and villages of the highlands.

**Day 07 LAKE ATITLÁN - FLORES - TIKAL**

**Private transfer to Guatemala City with a visit to Chichicastenango Market and lunch en-route**

Transfer approximately an hour to the highland town of Chichicastenango. Upon arrival your guide will take you to explore this famous market and see the fruit and vegetable area as well as the craft area where you can appreciate beautiful textiles and wooden and ceramic crafts. Also visit the famous St. Tomás Church where local Maya people come to perform Maya rituals. There is an optional hike up the hill to the Pascual Abaj ritual site to see if any local shamans are performing rituals.

Guided visits to the Mayan ruins of Tikal, bird watching, horse riding, canoeing, Spanish language classes and swimming can all be arranged locally.

**Day 08 TIKAL**

**Private full day Yaxha and Topoxte tour including lunch**

Visit Yaxha National Park for a private guided tour of this less visited, atmospheric site. Yaxha (q'equchi' for Green Water) was discovered in 1904 by architect Teobert Maler. It was occupied from Pre-Classic (800 BC) to Post-Classic (1600 AD) times and covers 3km<sup>2</sup> with more than 500 discovered buildings, including the only twin pyramid complex outside of Tikal. Nearby is Yaxha Lagoon; in the centre of which is another Mayan Site called Topoxte, where building continued after the Classic collapse until 1450.

**Day 09 TIKAL - GUATEMALA CITY**

**Private full day guided excursion to the ruins at Tikal including lunch**

Full day guided excursion to the ruins at Tikal. Unlike other major Mayan sites in Mexico and Belize, Tikal is unusual in that it is found deep in the rainforest. On a grand scale, you need to walk in excess of 15 kilometres to cover the whole site. The workmanship throughout is incredibly intricate and the 40 metre plus temples that shoot up to the sky are extraordinary. If you have a head for heights you can climb many of the temples and the views from the top are breath-taking. All around there is virgin rainforest, punctuated with other temples that surpass the forest canopy. After your excursion you will take a transfer to Flores airport for your return flight to Guatemala City, with TAG.
